

People don't care what you know... until they know that you care.

THE WAY JESUS DID IT

- 1 . He met people at their need and accepted them as they were.
- 2 . He brought a healing answer to their problem which built relationship and trust.
- 3 . This opened the door for Him to minister to their spiritual need of Him.
- 4 . He commissioned us to do likewise.

STARTING AN OPERATION OUTREACH IN YOUR COMMUNITY?

Are you interested in helping the hungry, hurting, lonely and those with need within your community? Every individual has a way and opportunity to meet a need, whether it be: time, materials, education, or monetarily.

Harder Times are coming. Now is the time to unite and make ready; we must get our cities prepared. Within each prepared community are resources to care for the needs of their citizens, even when disaster strikes. It is not a issue of *if* a disaster strikes but *when*. United and organized we will be able to stand, if we stand together.

Operation Outreach

WHAT IS OPERATION OUTREACH?

Operation Outreach can be considered a hub, connecting the spokes (organizations, etc.) within the community, so that the people comprising the rim are connected to one another configuring ONE unified community: city to city, state to state.

THE PURPOSE OF OPERATION OUTREACH

The purpose of Operation Outreach is to be a liaison for resources between the community and the individuals in need within that community.

To organize and teach the community to come together for the purpose of providing needs and services to those suffering from chronic insufficiencies of every day basic needs, to catastrophic events such as the horrendous aftermath of Katrina.

To connect like-minded and diverse organizations with one another with the objective of covering every individual's need(s). By networking alongside churches, organizations, businesses, schools, families and individuals, every need will be met.

MISSION STATEMENT

The mission of Operation Outreach is to help members of the community help one another in such a way that humility is

restored to giving, and dignity is restored to receiving. Doing so helps to repair relationships between one another; so that the true heart of God's love manifests in the saving knowledge of Jesus Christ to the donor and the recipient.

One of the policies of Operation Outreach is that it does not solicit for free-bees, nor does it have its own fundraisers to generate monetary or material gain.

OPERATION OUTREACH LOGO PICTURE DESCRIPTION

These hands in the picture represent every nationality.

They are **PRESSING** inward onto a three-dimensional, blood-red heart -- literally holding it together.

This wounded heart is breaking and splitting down the middle at the point of severing completely.

The picture portrays the joint efforts needed of everyone to mend our shattered and distressed humanity. This mending is possible only if all lend a helping hand in demonstrating God's unconditional love. Only together we can help to heal our cities, states, nations and world... one broken heart at a time!

Directly beneath this rending heart is the hand of Jesus. He is holding up not only the wounded soul but also the burdens of His UNIFIED Body at work in its compassionate efforts to bring wholeness to a suffering world.

OUR APPRECIATION TO YOU

Operation Outreach profoundly appreciates all of you who have sacrificially and diligently worked in bringing to life many programs that benefit our communities. Our hope is that we may all be more aware and cooperate among ourselves in bringing relief to those in need, while making the most of the wealth of talents and gifts we have here within our community. May we unite together in this effort: *John 17:21*

FOUNDATIONAL SCRIPTURE

Isaiah 58: 6-14 is the foundational scripture upon which Operation Outreach is built. This foundational scripture has been used as a guideline in structuring the organization for God's use in these last days before Christ's return. It speaks loudly of our mandate from God.
